

EXPONENTIAL MINDSET

HOW TO THRIVE IN A RAPIDLY
CHANGING WORLD

NOW IS THE BEST TIME IN HUMAN HISTORY TO BE ALIVE!

You are more likely than ever before to be literate, healthy, and free to pursue your dreams.

- A child born today will likely see the arrival of the 22nd Century.
- The likelihood of violent death has never been lower.
- Worldwide, people are better educated than ever.
- Childhood mortality has plummeted.
- More people have escaped poverty in our lifetime than in the whole of human history previously.

“
Changes in technology, health, demographics,
and communications are creating unprecedented
opportunities. At the same time, we are bombarded by
negative news in the media - amplified through social
sharing – leading to fear and concern about the unknown.
